Local organisations invited to apply to be a Co-op local cause.

Summary

The Co-op Local Community Fund gives money to local causes, helping to bring people together and make a difference. To apply to be a Co-op cause you must have a project or event in mind that meets the Co-op's values, takes place or will still be running after November 2020 and benefits your local community. They give preference to projects run by small, local organisations that make a real difference to people in their community.
