LEAP

energy

saving you money

reduce your gas and electricity payments
reduce your business overheads

- ✓ Guaranteed savings on your current gas and electricity supply contract
- ✓ We assess your current contract and bills, act as a broker across the market and access the best market price for you
- ✓ Switching through LEAP is at minimal cost to you and is significantly less than commercial broker rates
- ✓ We do all the work – you take all the savings – LEAP maintain complete impartiality throughout to find you the best deal
- ✓ We do not ask you to sign a contract with LEAP, only with your new energy supplier
- ✓ We can also advise you on energy saving actions for your business to make even more savings
- ✓ Our team have years of experience in energy advice and offer a breath of fresh air to the commercial energy sector
- ✓ We are a social enterprise – your business helps support LEAP domestic initiatives to reduce fuel poverty, increase energy efficiency of homes and have positive social, economic and environmental outcomes
