

## **Register now for Carers Scotland's Annual Summit**

Carers Scotland is pleased to announce that registration for this year's Carers Summit is now open!

This year's event will be on the theme "Caring about your future" and speakers and information stalls will cover topics including nutrition, breaks and finances. Attendees will also hear from the Cabinet Secretary for Social Security and Older People, Shirley-Anne Somerville MSP.

The Summit is open to carers and professionals, although priority will be given to carers. It will be held in Edinburgh City Chambers on 30th November 2018. This event starts at 10.15am and finishes around 2pm. Lunch will be served from 1pm.

I'd be very grateful if you could help us raise awareness of this amongst carers/carers networks within your organisation – even if not suitable for them, they (or you) may know of other carers who might be interested in attending, so please feel free to pass on.
