

Volunteer Management Training (Edinburgh)

On Wednesday 9th May 2018 at the Lifecare Edinburgh, 2 Cheyne St, Edinburgh, EH4 1JB, Company Solutions (UK) Ltd is holding a full day training course covering all aspects of volunteer management. It is facilitated by Gareth Edwards who has worked in the sector for 29 years. It is designed to help your volunteer management with practical actions for better results. The course runs from 9.30am to 4.00pm. Gareth only does a very occasional course now, as CEO of a rapidly growing charity that has many hundreds of volunteers, rather than a full training programme. This is our most popular course and, as we have not done any training in Scotland for a year, we are bringing it back to Edinburgh. Places are strictly limited.

VOLUNTEER MANAGEMENT CREATIVE MASTERCLASS

In this full-day course, we will cover the following key issues....

- Creating and improving on volunteer roles
- Improving volunteer recruitment and selection
- Enhancing recruitment and communication literature
- Making the induction process a positive and welcoming one
- Developing leadership and supervision skills for volunteers
- Improving volunteer motivation and awards
- Developing problem solving skills

A course handbook is included with the course in PDF format on disc. Afterwards, delegates receive a second handbook by email with all the notes from the exercises from this session and every other occasion we have run this training, tapping into ideas from over 200 volunteer managers.

We have reduced our prices to £99 inclusive per attendee, but delegates are requested to bring their own lunch or purchase it from the many locations nearby or from the cafe at the venue.
