

Ayodele (Afo) Afolabi who is a single father, UWS HR Student, a volunteer with Engage Renfrewshire plus Environmental Training Team, and, who has won so many awards it's testament to how successful volunteering can be in someone's life journey.

Afo is now completing his dissertation and is looking for help in order to complete such. Would you be kind enough to complete the survey below for him please? He is particularly interested in volunteer feedback from those who are now working as a result of volunteering.

Dissertation question for Past Volunteers to participate in the survey:

**Impact of Volunteering on Employability:  
A case study on Eng | Survey Tools**
