

# PENGUIN COMPETITION

*VisitScotland has recently announced a competition to celebrate YOYP2018.*

For 10 weeks this summer the Maggie's Centre in Dundee, is hosting the 'Maggie's Penguin Parade', a trail of 100 individually designed penguin sculptures set to bring together businesses, schools, community groups and creative artists in a series of events culminating in a free and accessible public art trail. We have secured one of those penguins to run the competition.

We are looking for entrants aged between 8-26 to design their very own 'Scottish Penguin', by designing a penguin that portrays what Scotland means to you.

Full details including deadlines and how to apply can be found here:
