**If you work with or support children and young people, are passionate about improving outcomes and reducing stigma for 'looked after' young people, or just wish to hear first hand from care experienced young people about what life is like for them in care in Renfrewshire, please join us for this free informative workshop.**

Please feel free to forward the invitation to colleagues, volunteers, connected business partners, community groups you work with and friends. Could we also please ask that if you sign up but are then unable to attend, please let us know to avoid the charity paying unnecessary costs.
