

Home Energy Scotland Open Event - 23 August

Home Energy Scotland 'Open Day' on Friday 23rd August at the Charleston Center. This will be in rooms G24, G25 and the HUB.

It will involve a series of exhibitions / displays of Energy saving options and information on Grants etc available to help reduce costs and be more energy efficient.

It is open to everyone: Service users, staff, Volunteers and members of the public. Given the relationship between Poverty (Fuel Poverty) and Mental Health it is important to raise this issue.

Please be aware of the date and look out for more details to follow

23rd August 10-2pm Charleston Centre
