

# Free Carbon Monoxide Awareness Workshop

*Edinburgh on 16th May*

The Gas Safe Charity is delivering a series of **free** carbon monoxide (CO) awareness workshops across the UK in 2018. The workshops are aimed at staff and volunteers from ANY organisation that delivers their services in the homes of vulnerable people. Exposure to even low levels of carbon monoxide in someone's home has been linked to a greater risk of falling, as well as early signs of dementia.
