

Celebrating Volunteering Event 2018

From June 1-7 we will be celebrating Volunteers' Week – recognising and acknowledging the incredible contribution of volunteers throughout Renfrewshire across organisations of all sizes. This year's celebration event takes place on **Friday June 8** from **2-4pm** at **Paisley Lagoon**.

And because it is Scotland's Year of Young People we will be presenting special youth volunteering awards to outstanding local young people, as well as celebrating the diverse work which allows many Renfrewshire organisations to deliver crucial services day in, day out.

If you would like to thank and acknowledge your organisation's volunteers, please join us for afternoon tea, music, awards and a celebration of volunteering. Tickets are free and can be booked at:
