

# Talk with a solicitor for free!

## Legal Advice Session Wednesday 6 February 2019

Thanks to the voluntary support of local solicitors, St. Vincent's Hospice is delighted to offer a confidential legal advice service completely free of charge. This friendly service is open to any adult. However, as places are limited, priority will be given to people living in Renfrewshire.

The service provides an introduction to professional advice and information to help with planning for the future – such as writing Wills, arranging powers of attorney and other legal matters. The service is provided without obligation or commitment.

Sessions are held in a private, comfortable meeting room next to the reception area at St. Vincent's Hospice. Appointments of up to 30 minutes are available between 11am and 1.30pm on Wednesday 6 February 2019. Other dates will be available throughout the year.

Advance booking is essential. To book please contact
