

## **Health Networking Breakfast: August 21 2018, 08.30am-10.30am, DRC**

Are you a charity or community organisation who delivers health based services in Renfrewshire? Or are you a member of Renfrewshire HSCP? Would you like to better understand who else is working within health locally? Do you want to be more effective in referring or signposting clients to other local services?

Join us for a breakfast networking session on **Tuesday 21st August** from **08.30-10.30** at the **Disability Resource Centre**. There's coffee, fruit and pastries, networking, speakers and a short workshop session. You'll meet other local health organisations, hear about new ideas and have an opportunity to discuss the strengths and challenges of working in health locally.
