

Shaping your community!

Would you like to have more control over what happens in your area? Would you like to shape your community?

Come to this event and have fun playing 'Shape Your Community' games! Find out how decisions are made and by whom, get involved in decision-making in your own area, and determine what happens next in your community.

Will you be able to do what you want? Come and find out!

Saturday 10 Nov 2018
From 1pm till 5pm
At the Lagoon Leisure Centre
Paisley

Free event for all the family, with board games for adults and walk-in games for kids. Drinks and nibbles for everyone, and tons of decision-making stickers and glitter!

Would you like to decide what happens in your area? Would you like to shape your community?

Come to the 'Shape Your Community' event and have fun playing games! Find out how decisions are made and by whom, get involved in decision-making in your area, and determine what happens next in your community. Will you be able to do what you want? Come and find out!

The event is run in partnership by the Star Project and the University of the West of Scotland, and is part of the ESRC Festival of Social Sciences. The event aims at exploring and promoting community engagement in policy-making through games. Some of the games will get players to make decisions that affect their community, they will have to prioritise their purchasing choices due to budget limitations (e.g. build a school or a play-park, sports-facilities or a hospital), they may have to listen to various stakeholders, and perhaps be subjected to opposing views from special interest groups.

The 'Shape Your Community' event will take place on Saturday 10th November from 1pm until 5pm, at the Lagoon Leisure Centre in Paisley. This is a free event for all the family, with board games for adults and walk-in games for children. Drinks and nibbles for everyone, and tons of decision-making stickers and glitter!

The Star Project and the University of the West of Scotland are running in partnership an event in Paisley as part ESRC Festival of Social Sciences.

The event aims at exploring and promoting community engagement in policy-making through games for adults and children. Some of the games will get players to make decisions that affect their community, they will have to prioritise their purchasing choices due to budget limitations (e.g. build a school or a play-park, sports-facilities or a hospital), they may have to listen to various stakeholders, and perhaps be subjected to opposing views from special interest groups.
