

Accessible Transport

12 March 2019

Johnstone Town Hall, Renfrewshire

Disability Equality Scotland in partnership with Transport Scotland, present an event on accessible transport in Renfrewshire.

As part of our on-going work with Transport Scotland we will be holding an Accessible Transport event in Renfrewshire.

The aim of this event is to bring together representatives from equality groups with transport providers to discuss specific issues relating to travel and transport in Renfrewshire.

This is our opportunity to discuss ways that providers and disabled people (and other equalities groups) can work together to bring about improvements, in line with the Scottish Government's Accessible Travel Framework.

To book your free place please contact admin@disabilityequality.scot
Telephone: 01259 272064 or book online at Eventbrite:
