

# The Great Daffodil Appeal

## Volunteers needed

Could you spare 2 hours to collect in Renfrewshire  
on 28<sup>th</sup> February or 1<sup>st</sup>/2<sup>nd</sup> March?

Or would you like to find out other ways to help?

Your time can help support people living with a terminal  
illness and their families.

For more information on how you can help, contact your  
local Community Fundraiser, Sara on 07753 268855 or  
email [sara.murray@mariecurie.org.uk](mailto:sara.murray@mariecurie.org.uk)

***“Your support means  
I can care for more people  
when they need it most.”***

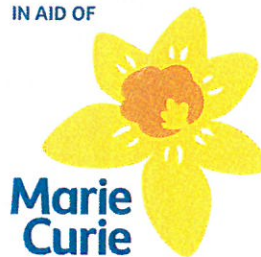

Marie Curie Nurse Paula Grufferty works  
day and night in our rapid response team.
