

Historic Environment Scotland

Maximum value: Discretionary

Application deadline: 30/09/2019

Background

Historic Environment Scotland(HES) is an executive Agency of the Scottish Executive. It aims to safeguard Scotland's historic environment and to promote its understanding and enjoyment. The Agency is directly responsible to Scottish Ministers and carries out its functions on their behalf.

Historic Scotland offers the Organisational Support Fund in recognition of the role played by voluntary organisations in safeguarding and promoting Scotland's historic environment.

Objectives of Fund

The Organisational Support Fund is provided to organisations that aim to safeguard Scotland's historic environment and promote its understanding and enjoyment. Grants are available to assist in the delivery of defined projects and activities and/or to provide resilience funding.
