- make a difference to the lives of children and young people?
- support one of Scotland's oldest charities?
- give back to the community?
- share your skills, talent and energy with others?
- experience a sense of pride in your accomplishments?
- meet new people?
- learn new skills and build your confidence?
- access free training?

Kibble is a charity that supports at risk children and young people (aged 5+) across the UK. Through our range of integrated services we help young people to move forward and lead sustained, healthy and fulfilled lives. Kibble's Voluntary Service aims to bring together young people at Kibble and the local community through volunteering opportunities.

There are many ways you can volunteer at Kibble, whether this is sharing a hobby/interest with a young person, sparing time to support our social enterprise activities, or perhaps you would benefit from volunteering in our support services. There are lots of possibilities.

Book Your Place

Please confirm your attendance by **Friday 22 March** by contacting Kibble's HR Department on 0141 889 0044 or emailing volunteering@kibble.org
