# Understanding Domestic Abuse

**To build a solid understanding of the nature and the scope of domestic abuse and name it as a gender based violence**

- *Able to define domestic abuse as sexual, physical, mental/emotional abuse (as termed by the Scottish Government) and how this relates to the wider Gender Based Violence agenda including trafficking of women and children and forced marriages*

**Able to recognise its impact on those who experience it**

- *Appreciate the impact of domestic abuse on those who experience it and how it affects their behaviours and choices*

**Provide delegates with the confidence and the knowledge to deal with the issue in their work setting.**

- Understand the main issues of providing a sensitive and appropriate service to women, children and young people experiencing domestic abuse
- Be able to identify and list local sources of support and information for women and children experiencing abuse.
- To explore individual and organisational responses to women and children who disclose abuse with particular regard to the implementation of Sensitive Routine Enquiry (NHS GG&C)
- Be able to recognise and utilise the 5 point plan within your daily practice
