

FiSCAF – Faiths in Scotland Community Action Fund works with local faith groups, building hope by providing grants and support in the struggle against poverty in Scotland's most fragile urban and rural communities.

Faith and people matter and we want our support to make the following differences:

- Faith groups are more effective in supporting people to make transitions in their lives
- Faith groups are more effective in helping to reduce isolation and loneliness
- Faith groups are more effective in supporting local people to become more resilient
- There is greater understanding and respect between and within faith communities
- Local people have increased self-esteem, confidence and skills, equipping them to improve community life

Grants are available to local faith groups in Scotland to build hope and fight against poverty by providing grants and support in Scotland's most fragile urban and rural communities.
