

Positive About Youth Awards 2018 – Change of Date – 12 December

Please note that unfortunately the **Positive About Youth Awards has changed date** due to circumstances out-with RYV's control.

It's good news! **Renfrewshire Youth Commission has been shortlisted for a National Young Scot Award** – the only problem being this prestigious award ceremony clashes with the PAY Awards. The young people have been torn about how to attend and host at the same time and have taken the decision to change the date of their own event.

Therefore they respectfully ask that you put a new date for your diary – Wednesday 12th December in the Paisley Town Hall. The event will combine the end of year "Deck the Halls" event celebrating the Year of Young People 2018 along with a glittering line-up of local talent and entertainment which will highlight and celebrate the achievements of nominees and winners. RYV will be issuing invitations to VIP guests shortly and will announce how you can book your tickets for this amazing event.

RYV have also offered an extension to the Nomination deadline and extended the date to Friday 2nd November – so if you haven't already, nominate your youth group or young person that you think deserves the spotlight on their hard work and dedication in their field of expertise:

In the meantime, I am sure you will join me in wishing the Renfrewshire Youth Commission in their bid to win a Young Scot Award for all their hard work on Young People's Mental Health in

Renfrewshire: <http://www.youngscotawards.com/finalists/>
