

## **Lisa Kowalski needs your support!**

Paisley singer songwriter Lisa Kowalski, who wrote her song Hearts of Gold and filmed the positive Paisley video for Paisley 2021, has had the video entered into a public vote competition to get her a slot at Oban Live, where she would get to play a big stage along-side some of Scotland's biggest folk bands.

The voting campaign runs until 22 April and Lisa is currently close second.

We would appreciate any votes that local groups/ people could muster for her. Turning the song Hearts of Gold into reality! The video and voting site is here: <https://obanlive.com/unsigned-voting/>.
