

Who Cares? Scotland Listen & Learn session

When: Thursday, 9 May 2019, 1pm

Where: The Lagoon Leisure Centre

11 Christie Street
Paisley
Renfrewshire
PA1 1NB

Description:

Do you deliver youth work or activities ? Do you support young people?

If so, then you probably hold some of the most important and meaningful relationships with Renfrewshire's young people. Care experienced young people attend your groups and sessions and want you to understand their lives better, by attending this Who Cares? Scotland workshop.

Please join us at The Lagoon in Paisley.

Who Cares? Scotland is a Scotland wide organisation that represents care experienced young people. We work across Renfrewshire supporting children and young people who are looked after at home, in kinship care, foster care, live in a children's house and also care leavers.

This interactive and informal workshop will take you on a journey, giving you an insight into what life is really like for this group of young people who live in your community, in their own words. We want you to leave this workshop feeling empowered, having learned how you, your organisation, group, and community can help local young people and improve their life chances.

Young people in care of the local authority are all of our children and will thrive with the acceptance and support of their local communities.

We warmly invite you to forward this invitation to other interested professionals, friends, volunteers, business partners and community groups.
