Community Heritage Scotland - Going Forward

A large part of Scotland's heritage is managed by volunteers and community organisations, but we have no clear picture of this rapidly growing sector. A new project called Community Heritage Scotland has been launched which aims to map it and bring about positive change.

We want to find out who is doing what and where, and would like to invite you to a **FREE event** taking place.

The event will be happening on: Saturday 21st of April 2018 @ Birnam Arts Centre, Dunkeld, 10.30am - 4.30pm.

Tickets have been issued on a "first come, first served" basis reflective of a new date and extended capacity.

To book a place please go to: <http://bit.ly/GoingForwardCHS>

We hope that you're able to join us to explore the future of community heritage in Scotland. Please share this invitation with your contacts.
