

Join us for a free and unique  
**'Get Ready For Winter'** workshop from Home  
Energy Scotland  
On  
Wednesday 16<sup>th</sup> January 2019  
10.00am to 12.30pm or 1.00pm to 3.30pm  
At  
Engage Renfrewshire (PA3 1NS)  
Lunch provided.

**Did you know** that heating accounts for about 55 per cent of what you spend in a year on energy bills, and that the average saving you could make by switching supplier is £200 but it could be as much as £300 if you have never switched at all? You can start to take control of your energy bills in a range of ways, and Engage Renfrewshire has teamed up with Home Energy Scotland to help staff find out how.

Funded by Scottish Government, Home Energy Scotland provides free, impartial energy advice designed to help householders make informed decisions. Home Energy Scotland has no connection with any energy supplier.

This session will cover

- A one-stop portal for clear, free and impartial energy advice and support to make homes cheaper to heat
- Help for households to save energy, reduce fuel bills, reduce carbon emissions, and keep homes warmer
- Access to Government funded schemes
- And lots more.

A buffet lunch will be provided (12.30pm to 1.00pm). To book one of the limited places on this free training for the morning or afternoon session please contact [smiller@engagerenfrewshire.com](mailto:smiller@engagerenfrewshire.com) with your name, organisation and any dietary requirements.
