

*Do you want to help support people to create positive change?*

We are currently looking for two new Trustees to join our Board and were wondering if you would kindly be able to support our search on your channels.

We know that you have an impressive network of connections, and it would be great if you were able to help us reach as many and as wide a range of people as possible. We are particularly keen to reach younger people, people from outside the Central Belt and people who bring expertise from their lived experience, not just professional background.

Attached is a small communications pack for ease. It would also be fantastic if you could possibly share our own posts in the run up to the deadline (11 May), just whenever is convenient for you! – [www.twitter.com/corrascot](https://www.twitter.com/corrascot) & [www.facebook.com/corrafoundation](https://www.facebook.com/corrafoundation)

We understand that you will be very busy with your own work, and would be hugely grateful of any help you can offer.

"Our Trustees play an enormously valuable role in helping us work towards our vision - if you share our passion for a society in which people create positive change and enjoy fulfilling lives we would love to hear from you!"

Fiona, Corra Foundation Chief Executive

"It's a privilege for me to be the Chair of Corra Foundation and work with a great team of Trustees and staff. We are looking for 2 new Trustees and hope to attract interest from all across Scotland."

- Trevor Cival, Corra Foundation Chair
