

St Vincent's Hospice Community Review Survey

St Vincent's Hospice are carrying out a review of our community based services as we move into the final year of our current strategy. Please complete our short survey in the link below and feel free to share with other colleagues/service users. There is the link for both the Health and Social Care Professionals survey and our Public survey,

Community Review Project Mission Statement

As St Vincent's Hospice prepare for the future, we are inviting members of the public and our professional colleagues to be directly involved in shaping the direction of our services. We will be reviewing our existing community services and exploring opportunities for new developments.

The aim of this is to ensure that we are providing the right care, in a way that is best suited to meeting the constantly changing needs of our community, and allowing as many people as possible to access our services.

This will include:

- Our Community Nurse Specialists
- Day Services
- Bereavement Support Service
- Proposals on new support services

Can I ask you to complete our short survey by following the link and returning before 12th October 2018.
