

Cycling Without Age

If you would like to start a chapter of **Cycling Without Age** in your community in Scotland, we would be delighted to help you get started.

We have launched a simple Affiliate model for communities, nursing homes, cities and individuals worldwide to become part of the movement. Proceed to the Affiliate page or if you have any questions, write us an email at scotland@cyclingswithoutage.org. We already have a wealth of experience in working with nursing home staff and management, city councils, other volunteer organizations, cyclists federations as well as great ideas of how to get the initiative off the ground and locals excited about it.
