I am a fun, 40 year old woman in a wheelchair, this is a great opportunity to work with me, actually making a difference doing something different, rather than the same 9-5 job. No two days are similar.

I am very independent and do not wish to be "taken over" but assisted with things that I cannot do. Being independent is important to me. I value patience with me and listening.

I require a fun, bubbly personal assistant to help me in all aspects of daily living.

Duties would include cooking, cleaning, driving me to appointments, taking me to the gym, helping me to go swimming, grocery shopping, ironing , hanging out washing ,bathing (This is why I'd like a female) etc , this list is not exhaustive and we can discuss this in more detail at the interview.

Hours are flexible/variable

Monday- 9-12, Tuesday 6-8, Wednesday 5.30-9.30, Thursday 5.30-7.30, Friday 4-6, Saturday 10-2, Sunday 0.

A few important points to note are applicant will need to have their own car and license as the majority of the duties requires you to have a car, also I have 3 friendly cats so if your allergic or dislike cats position not suitable.

If you are interested and fit the description above send me your contact details and C.V to forbes_laura@sky.com please with a bit about yourself and why you think you would be suitable for this job.
