

Renfrewshire Health & Social Care Partnership Annual Performance Report

“Our vision is for Renfrewshire to be a caring place where people are treated as individuals and are supported to live well.”

Renfrewshire Health & Social Care Partnership annual performance report is available to read online or download from the link below. Highlights include a reduced demand on acute services, and reduced alcohol related hospital stays. Please use the feedback form on the final page to give your opinions and comments.
