## Forward Planning ?

Solicitors for Older People Scotland are a group of Scottish Law firms dedicated to providing legal services to older people in a caring and sensitive way. Sometimes older people find it stressful to prepare properly for their future; and the future of their families.

We aim to remove the stress of seeing a solicitor. All of our members have signed up to our *Code of Conduct* which we hope will make older people feel comfortable, supported, and confident to plan ahead.

- Wills
- Power of Attorney
- Advance Directives (Living Wills)
