

## **Scottish Pensioners Forum - Bullying in an Ageing Workforce Questionnaire**

The Scottish Pensioners' Forum, the campaigning organisation for older people in Scotland, are carrying out a project, funded by the Scottish Government, looking into workplace bullying in an ageing workforce.

In an effort to gather as wide a range of views as possible, we have developed a questionnaire, with the help of the Scottish Hazards Campaign, which we hope you can circulate to your networks, promote on social media and include in any promotional materials you may presently be circulating.

We hope to encourage as many people as possible to complete this important survey.

The questionnaire is available online at:

**The deadline for completion of the survey is Monday 25<sup>th</sup> February 2019**
