

QAVS Awards in Renfrewshire

The Queen's Award for Voluntary Service is the highest award given to local volunteer groups across the UK to recognise outstanding work done in their own communities. It was created in 2002 to celebrate the anniversary of The Queen's coronation. It is the MBE for volunteer groups.

Any group doing volunteer work that provides a social, economic or environmental service to the local community can be nominated for the award. Each group is assessed on the benefit it brings to the local community and its standing within that community.

Delighted to share with you that three Renfrewshire Organisations have received this award – well done.
