

Affordable Credit Breakfast Event

Friday 31st May, 9am-12noon
at Tannahill Centre, PA3 INT

We know that people in Renfrewshire who need to borrow money often end up paying more than they have to for credit. Renfrewshire Affordable Credit Alliance (RACA) aims to save you money by championing fair and honest credit from lower cost lenders.

Whether you are a member of the public or a practitioner, community group, voluntary or public sector, please join us for a free information and networking session on local affordable credit options.

There's coffee and breakfast, marketplace stalls and networking, spotlight speakers and a short workshop. You'll meet other local contacts, hear about new ideas and services, and you'll have an opportunity to discuss ways to save money when there is a need to borrow. Details of speakers/sessions will follow.

Please book for this free event using this Eventbrite link <http://bit.ly/2WguRdN>
