

This is a friendly reminder that our NEW project for Care Experienced young people in Renfrewshire is LIVE! See details below:

**\*\*\*Impact Arts are pleased to announce that the Make it Your Own programme is live and we are accepting referrals!\*\*\***

Make it Your Own is open to any care experienced young people aged 16 - 26 who are not currently in employment or training and have been offered, or are living in their first tenancy. Young people must have the right to work in the UK and have a valid National Insurance number.

Engaging 24 participants for an average of 3-4 months, the Make it Your Own Programme aims to instil a sense of pride and ownership in their home while developing new and transferrable skills for the future.

Our Impact Arts tutors will deliver weekly one-to-one appointments and group sessions as well as monthly group project workshops and drop-in sessions helping young people to:

- Identify their own vision of their home
- Create items or complete decorating projects
- Achieve personal and practical goals
- Identify opportunities for further progression

Each young person will be equipped with a starter pack and an individual budget of £150.

If you know of any young people who may be interested, please get in touch by filling out a referral form and returning to Linda our Co-ordinating Tutor at [lburke@impactarts.co.uk](mailto:lburke@impactarts.co.uk)

We aim to get in touch with referrals within 5 working days.

Appointments will be available from week beginning August 19<sup>th</sup> and will take place in Renfrewshire at:
