

Round 3 - eBike Grant Fund (Scotland) is Open

The eBike Grant Fund is provided by Transport Scotland and administered by Energy Saving Trust (EST). The fund aims to support the uptake of ebikes for functional journeys, and the funding should be used to create ebike/ecargo bike fleets, as an active travel, low-carbon transport option.

Funding is available for the following:

- **Category A Fund:** applications are accepted from community groups, third sector and public sector organisations to trial ebikes.
- **Category B Fund:** available to community groups, third sector, and public sector organisations and local authorities for the purposes of providing large scale fleets of pool bikes, bikeshare/hire schemes, and promoting large-scale uptake of ebikes as an alternative to car and van travel.

To be eligible, applicants must meet all the following criteria:

- Be a public, community or third sector organisations with a governing body, a democratically elected management committee and a governing document that has been formally adopted.
- Provide sufficient matched funding from an eligible source.
- Have a proven record in delivering and running capital projects of similar scale to the eBike Grant Fund.
- Have the capacity to sustain the use of purchased equipment beyond the initial project period.

A total of £1.14 million is available for Round 3, and there are two levels of funding:

- Category A Fund: Grants of up to £25,000.
- Category B Fund: Grants of up to £200,000.

The first deadline for Category A is 28 June 2019. The first deadline for Category B is 12 August 2019.
