

Strategic Legal Fund Offer Funding to Support Vulnerable Young Migrants

Managed by the Immigration Law Practitioners' Association, the Strategic Legal Fund (SLF) offers funding to support legal work in the UK that goes beyond securing justice for an individual and makes a significant contribution to law, practice and procedures to uphold and promote the rights of vulnerable migrant children and young people more generally.

The Fund provides grants of up to £30,000, although the average grant is £12,000, to fund pre-litigation research and third party intervention that are likely to benefit vulnerable young migrants, defined as:

- Migrants or the children of migrants.
- Who are under 25 years.
- Who are living in poverty.
- Who face significant disadvantage or discrimination in connection with their (or their parents') migration status.

The SLF funds strategic legal work in any area of law where vulnerable young migrants experience disadvantage or discrimination as a result of migration status. This includes (but is not restricted to) potential cases in the areas of:

- Immigration
- Asylum and asylum support
- Human rights
- Education
- Housing
- Welfare benefits
- Discrimination
- Access to justice
- Community care
