For release on 19 July 2018

Calling all Classic Cars to Castle Semple

'Classics at Castle Semple' Car show will return to the shores of Castle Semple Loch for an 8th year on Sunday 21 October 2018 11am-3pm. We're looking for owners to get in touch and help us put on another fantastic show.

Jane Fawcett the Event Organiser and Visitor Centre Assistant at Castle Semple said: *"It's the location at Castle Semple Loch in Lochwinnoch which makes this car show even more special. It's simply stunning. The cars are packed in, on display in the car park. So dry feet, clean cars and happy visitors and owners. So many grinning faces to be seen as they ogle the cars – remembering their first car, that time it broke down or a first kiss in it!"*

Once again, Jane will be supporting her local hospice, St Vincents in Howwood. Last year the show raised over £1150 from entrants fees and stalls provided by Laura McDade and the all-important volunteers from the hospice:

"It was the first time I'd run the show for charity and owners were more than happy to pay to display their cars. I love the hospice and all they do. This year I dedicate the show to Campbell who was in the hospices care for a short time in July. "

Last year's show had 80 vehicles - everything from a Beardmore Paramount Taxi, Rover P6, Austin 14 Goodwood, Hillman Husky, Ford Falcon and Skoda Rapid (whoever thought that would be a classic) and a variety of Hotrods and American beasts alongside some tasty motorbikes.

Jane is inviting local classic owners to apply and as the show fills very quickly so email classicsatcastlesemple@gmail.com ASAP with enquiries. **ENDS**
