

# RENFREWSHIRE AFFORDABLE CREDIT ALLIANCE (RACA) – public event, Piazza Shopping Centre, **10am-4pm on Thursday 30 August.**

RACA is the Renfrewshire Affordable Credit Alliance; a group of agencies who work collaboratively to increase the provision of accessible, ethical and affordable credit for people in the most vulnerable circumstances. We put the needs of the local community at the centre of service design and delivery, and potentially save thousands of pounds for those living on limited budgets.

The most financially excluded will often turn to payday lenders, doorstep lenders and rent to buy furniture companies who charge high interest rates. RACA wants local people to know what other options they have, and where they can turn when they need to borrow.

On Thursday 30<sup>th</sup> August, 2018, Renfrewshire Affordable Credit Alliance (RACA) will be at the Piazza Shopping Centre in Paisley to talk to the public about their affordable credit options. Particularly in preparation for the Renfrewshire rollout of universal credit in mid-September, RACA wants all local people to feel empowered about credit choices and to be ready to manage any changes that universal credit may bring. Please pop in to talk anytime between 10am-4pm on Thursday to find out more about how you can access fair and honest credit.
