

Postcode Local Trust Launches First Round of 2019

Established in 2015, Postcode Local Trust operates its own society lottery and receives all of its funding from players of People's Postcode Lottery. This money enables the Postcode Local Trust to provide grants to projects that are beneficial to local areas across England, Scotland and Wales.

In 2019, Postcode Local Trust will provide short-term, designated funding for local projects which relate to the following themes:

- Green space improvements.
- Increasing community access to outdoor space.
- Renewable energy and flood prevention.

Grants range from £500 to £20,000. Only registered charities can apply for grants of up to £20,000. The maximum grant for groups that are not formally registered as a charity is £2,000.

There is a two-step application process.

Stage 1 applications will be accepted from 6 February to 20 February 2019.
