#Paisley2021

Hello,

I am writing to you as one of our Paisley 2021 partners as we are just weeks away from finding out if Paisley will be named UK City of Culture 2021.

As we prepare for the journey to move forward regardless of the outcome we are looking for stories which show Paisley at its creative, innovative and cultural best.

I would be keen to hear of any events, stories or announcements you have scheduled for the next few months to see if there are any activities we could support.

The types of content we are looking for could range from project success stories and events to upcoming milestones, unusual stories and new announcements all of which show Paisley in a positive light.

It would be great for us to get a flavour of what is going on with all our partner organisations to enable us to support where we can and also to inform the wider media planning during this period.

If you have any questions or think you might have a story to tell please get in touch with our PR team Julia Correia, julia.correia@renfrewshire.gov.uk or Colin Orr, colin.orr@renfrewshire.gov.uk.

Thanks for your help, and we look forward to hearing from you

Jean
