

Tudor Trust Funding Spotlight

Thursday 9th November 2017

1.30pm to 3.30pm

Engage Renfrewshire

10 Falcon Crescent

Paisley

The Tudor Trust only fund work which is charitable but you don't have to be a registered charity to apply to us.

We can consider your application if you are seeking support for work that has a charitable purpose and the application comes from an organisation which has both a constitution and a bank account.

We can make grants to groups operating under a range of legal structures including registered charities, unincorporated associations, community interest companies and industrial and provident societies.

We don't make grants to individuals

On average it takes around four months for a grant to be approved: please bear this in mind when you are thinking about the best time to apply.
