

Last year the Tannahill Centre Executive Committee adopted a new three year business plan and our first ever annual delivery plan.

As we now reflect on the effectiveness of our existing delivery plan and draft a new one for the year ahead, we would really appreciate your feedback on our performance over the past 12 months by completing this short survey:

The survey is very straightforward and should take no more than three minutes. It is confidential, however I would encourage you to leave your contact details at the end of the form so we can get in touch to discuss any comments you make or to inform you of any actions we take as a result.

Thanks for all your support over the past year, and many thanks in advance for completing our survey.
