

Community Capacity & Resilience Fund Round 4

NOW open for applications

New round of grants for smaller grassroots, third sector organisations in Scotland working hard to tackle welfare reform and poverty in communities throughout Scotland.

Scottish Council for Voluntary Organisations (SCVO) are delighted to announce that with continued investment from Scottish Government we are now accepting applications from Scotland's third sector organisations to support their delivery of projects and activities that help mitigate the effects of welfare reform, combat social inequality, promote social inclusion and have a preventative impact in communities. This investment from Scottish Government will increase the capacity and resilience of communities and third sector organisations to provide people with the support and skills they need.

Awards will range from £1,000 to £10,000 with project activity starting 1st December 2018 at the earliest. Applying to this fund is simple, with an easy online application process supported by guidance notes and FAQs and all of this can be found [Here](#) Applications close on Thursday 26th October 2018 at 5pm.

If you work for or know an organisation that's tackling the impact of welfare reform and poverty (with an annual income of £250,000 or less) then we look forward to reading about your great ideas.
