

FERGUSLIE COMMUNITY CHOICES

APPLICATION FORM

Thanks to funding from the Scottish Government young people from Ferguslie Park have been deciding how £25,000 will be spent in their community. Since October 2018 the Tannahill Centre and Create Paisley have been consulting young people on the criteria, priorities and who can get involved in deciding which projects receive funding at our decision making event on Friday, 29th March 2019 from 3:00 pm – 5:00 pm.

This approach is known as Participatory Budgeting and it is where local people decide through a voting event how public money will be spent locally. This is different from traditional ways of funding projects where decisions are usually made by a small number of people.

Who can apply

- Any individual or group can apply for funding for an idea that supports people from Ferguslie Park.
- If you are a group, you do not have to be constituted or have a charity number
- If you are successful in being awarded funding for your idea and do not have a bank account we will work with you to find other ways to support you spend the money.

How much is available

- You can apply for between £100 and £7,000
- A group or individual can only make one application
- The total amount of money we have to distribute is £25,000

Where there are more applications than funding available we will shortlist projects that meet one or more of the priorities identified by young people

- Projects that are for the whole family
- Projects that encourage friendship
- Projects that promote health and wellbeing

Before you apply

- Please read the application form fully
- If you are unsure if your proposal is suitable for this programme just get in touch and we will advise you

How to apply

- Return this completed application form to caitlinmcglynn@fpha.org.uk or hand in a hard copy to the Tannahill Centre reception by 10:00 am on Monday, 11th March 2019 at 10:00 am.
- A steering group made up of young people will review the applications received and based on the criteria and priorities listed above will shortlist a number of projects that will put to a public vote at the decision making event
- You will be asked to attend the event and make your case for funding, we will inform you nearer the time what form this will take (e.g. presentation or information stall)
- Members of the community in the audience and other applicants will then vote on who gets funded

WHAT IS THE IDEA YOU WANT FUNDING FOR?

Let us know what you plan to do. Think about:

- What activities will take place?
- How often will the activity take place and where?
- Describe the people who will get involved (e.g. are they younger or older? Do they have a disability? Are they mostly women?)
- This would be a good place to mention if you meet one of the priorities and how you do so?

WHAT DIFFERENCE WILL YOUR IDEA MAKE TO FERGUSLIE PARK?
