

**Join us for free training on Self Reliant Groups from
Wevolution.**

Wednesday 20th February 2019

10.00am to 1.30pm

At Engage Renfrewshire, PA3 1NS

Wevolution are coming to Engage Renfrewshire to speak about their Self Reliant Groups. Wevolution started in the 1980s, there are now nearly 8 million of these groups with over a 100 million women involved. The movement has become a powerful model for social and economic change involving women and improving their lives as well as those of their families and neighbourhoods.

Named as one of the Guardian's New Radicals, WEvolution offers a new and creative way of working alongside people in Renfrewshire. Come find out more and walk away with the next steps to start it in your own organisation.

AIMS

You will:

- Learn how the Self Reliant Group model works
- Connect with other local volunteers to build your network
- Develop understanding of how groups work.
