

# Fantastic Training Opportunity

Subsequent to recent discussions between Engage Renfrewshire and Genius People we are pleased to share details of funded Modern Apprenticeship programmes that would be available for employees of all eligible businesses/organisations included in our network.

Working in conjunction with Skills Development Scotland (SDS), Genius People are able to provide the following funded qualifications:

- Customer Services
- Business Admin
- ICT/Digital Industries
- Providing Financial Services
- Management
- Facilities Services
- Facilities Management
- Contact Centre Customer Service
- Transport & Logistics
- Warehousing Storage & Distribution

Please get in touch via the details below in order to discuss the eligibility criteria and opportunities open on securing any of the programmes as above for your business.
