

The annual Johnstone Gala Day, organised by Johnstone Community Council, is being held at Thomas Shanks Park on Sunday 26th August!

Johnstone Gala Day, organised by Johnstone Community Council, will hold their biggest event yet on Sunday 26th August 2018.

There will be a live stage, managed by the town's Splash Productions, with singing and dancing all day including a performance by Zoe Tait – The Ladybugg.

A new addition to the event will be a display and stall from Renfrewshire Model Railway.

Other activities include a dog show, football tournament, children's rides and bouncy castle, live fitness classes, a tea tent, hot food stalls and market stalls.

The August weather has been an issue for past events but the Johnstone Gala Day committee have hired three large marquees to house the market and various events.

Sunny weather or not - overall it will be a great day.
