

## Consultation – Long Term Financial Stability of Local Government

The Local Government and Communities Committee at the Scottish Parliament has launched a call for written views on the **long-term financial stability of local government** as part of their 2020-21 budget scrutiny. Read the call for views [here](#). The deadline for submissions is 23 August.

In addition SPICe, the research department here at Parliament have published the annual update to their local government finance facts and figures briefing looking at trends in local government funding between 2013-14 and 2019-20. You can read it [here](#).
