Using the smart of Smartphones

Call Engage **0141 887 7707** to book a place.

When: May 14th, 11am - 1pm

Location: Engage

10 Falcon Crescent, Paisley PA3 1NS

Putting the Smart into Smart phones

May 14th 11am - 1pm

Location: Engage, 10 Falcon Crescent, Paisley PA3 1NS

Smart phones can do lots of things, but often we don't know what those things are. This class runs over some of those smart things that smart phones can do. This course will be useful if you want to use your phone more for work or you are a digital champion in your organisation.

Introduction to Google Home and Echo Dot

Call Engage 0141 887 7707 to book a place.

When: May 21st, 11am - 1pm

Location: Engage

10 Falcon Crescent, Paisley PA3 1NS

Introduction to Google Home and Echo Dot

May 21st 11am - 1pm

Location: Engage, 10 Falcon Crescent, Paisley PA3 1NS

Google Home and Echo Dot are two of the new "Digital Home Assistants" that have appeared on the market and the devices can also be used control items in your home (if you have the right accessories). They are great devices for people who want to access online information but have issues using a computer or tablet, or who can't use a keyboard.

You can also find out more about these devices, how to set them up and see how they compare. This course will benefit for Digital Champions in organisations.

To book a place on either one of these courses please contact Engage Renfrewshire on:
