

Funding News - Tesco Bags of Help Centenary Grants

Tesco Bags of Help Centenary Grants are now open for not for profit organisations to apply for £25,000 for projects that bring significant benefit to communities.

The Centenary Grants are two special voting rounds of the Tesco Bags of Help local community grant scheme and offer a unique opportunity to help more people across five regional areas in Scotland. Voting for these grants will take place in July/August and November/December 2019. Following the vote, the project that receives the most votes in the voting region will receive a grant of up to £25,000, second place receiving up to £15,000 and third place up to £10,000.

The July/august 2019 voting period will feature projects with a Health and Wellbeing theme, and projects focussing on cancer, heart disease and diabetes will be prioritised.
